BY SENATOR(S) Roberts and Simpson, Catlin, Marchman, Bridges, Pelton B., Amabile, Bright, Cutter, Daugherty, Exum, Frizell, Jodeh, Kipp, Kirkmeyer, Liston, Lundeen, Michaelson Jenet, Mullica, Pelton R., Snyder; also REPRESENTATIVE(S) McCormick and Soper, McCluskie, Bacon, Bird, Boesenecker, Brown, Caldwell, Clifford, Duran, Gonzalez R., Hamrick, Jackson, Lieder, Lindsay, Martinez, Mauro, Pugliese, Richardson, Ricks, Smith, Stewart K., Story, Titone, Velasco.

CONCERNING THE COLORADO WATER CONSERVATION BOARD OPERATIONS,
AND, IN CONNECTION THEREWITH, FUNDING PROJECTS AND MAKING
AN APPROPRIATION.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Continuation of the satellite monitoring system - operation and maintenance - appropriation. (1) For the 2025-26 state fiscal year, \$380,000 is appropriated to the department of natural resources for use by the division of water resources. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the division of water resources may use this appropriation to install, maintain, and operate satellite-monitored stream gauges and lysimeters for water rights

administration and data collection pursuant to section 37-80-102 (10), C.R.S.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 2. Continuation of the Colorado floodplain map modernization program - appropriation. (1) For the 2025-26 state fiscal year, \$500,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to continue to assist with the preparation of revised and improved floodplain studies and maps for communities throughout Colorado and participate in federally sponsored floodplain map modernization activities.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 3. Continuation of the weather modification permitting program - appropriation. (1) For the 2025-26 state fiscal year, \$500,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to assist water conservation and conservancy districts with the development of cloud seeding programs to provide benefits to recreation, streams, and reservoirs through snowpack enhancement.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 4. Restoration of litigation fund cash balance - appropriation. On July 1, 2025, the state treasurer shall transfer \$2,000,000, or so much thereof as may be necessary to restore the balance of the litigation fund to \$2,000,000, from the unreserved cash in the Colorado water conservation board construction fund created in section 37-60-121, C.R.S., to the litigation fund created in section 37-60-121 (2.5),

C.R.S., to assist in addressing legal issues associated with compact compliance or any other litigation activities as specified under section 37-60-121, C.R.S.

SECTION 5. Continuation of the Colorado Mesonet project - appropriation. (1) For the 2025-26 state fiscal year, \$200,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to support the Colorado Mesonet, including for the following activities: Operation, maintenance, travel, communications, and database and website management for temperature and precipitation stations.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 6. Continuation of the water forecasting partnership project - appropriation. (1) For the 2025-26 state fiscal year, \$2,000,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to support the development of new ground and aerial remote sensing data, to develop hydrologic modeling practices, to provide reliable volumetric water supply forecasting, and to provide better characterization of snowpack.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 7. Continuation of the Arkansas river decision support program - appropriation. (1) For the 2025-26 state fiscal year, \$300,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to continue implementation efforts identified in the Arkansas river decision support system (ArkDSS)

feasibility study completed in December 2011.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 8. Continuation of technical assistance for federal irrigation improvement cost-sharing program - appropriation. (1) For the 2025-26 state fiscal year, \$500,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to provide technical assistance for applicants seeking competitive federal grant funds.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 9. Decision support systems model enhancements to support the Colorado water plan - appropriation. (1) For the 2025-26 state fiscal year, \$1,000,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to support efforts to refine and extend the existing decision support systems model and to complete technical updates to the Colorado water plan.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 10. Basin implementation plan analysis and updates - appropriation. (1) For the 2025-26 state fiscal year, \$4,500,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to support updated efforts to evaluate baseline data to determine existing and future water demand and supply to develop an updated basin implementation plan for each of the 8 major river basins across the state.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 11. Continuation of the Colorado watershed restoration program - appropriation. (1) For the 2025-26 state fiscal year, \$5,000,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to support planning, engineering, and implementation measures to address technical needs for watershed restoration and flood mitigation projects throughout the state to provide aquatic habitat protection; quantification of environmental flow needs; and monitoring of efforts to support healthy stream and watershed goals outlined in the state water plan.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 12. Statewide turf analysis - appropriation. (1) For the 2025-26 state fiscal year, \$1,400,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to conduct an analysis to answer key questions related to understanding the total amount of irrigable turf, nonfunctional turf, tree canopy, and other vegetation types in populated areas of the state to gain a better understanding of outdoor and landscape water use and develop possible water savings practices related to turf replacement.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 13. Colorado department of agriculture - scaling Colorado soil health- transfer - appropriation. (1) On July 1, 2025, the state treasurer shall transfer \$500,000 from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S., to the plant health, pest control, and environmental protection cash fund created in section 35-1-106.3 (1), C.R.S., to assist in the continuation of the soil health

program.

(2) (a) For the 2025-26 state fiscal year, \$500,000 is appropriated to the department of agriculture for use by the conservation services division. This appropriation is from the plant health, pest control, and environmental protection cash fund created in section 35-1-106.3 (1), C.R.S. To implement this subsection (2)(a), the conservation services division may use this appropriation to continue the Colorado soil health program to improve soil health throughout the state.

(b) The money appropriated in subsection (2)(a) of this section remains available for the designated purposes until it is fully expended.

SECTION 14. Yampa river and Walton creek confluence restoration - appropriation. (1) For the 2025-26 state fiscal year, \$2,000,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to conduct a large-scale ecological river and wetland restoration project encompassing one hundred five acres of channel, floodplain, and riparian improvements at the Yampa river and Walton creek confluence.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 15. South fork focus zone irrigated acreage retirement - appropriation. (1) For the 2025-26 state fiscal year, \$6,000,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the Colorado water conservation board construction fund created in section 37-60-121, C.R.S. To implement this section, the Colorado water conservation board may use this appropriation to support efforts to comply with the republican river compact administration resolution by retiring irrigated acreage in the south fork focus zone by 2029.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 16. Water project loan authorization - park creek reservoir expansion project. (1) Pursuant to section 37-60-122 (1)(b), C.R.S., the Colorado water conservation board is authorized to make a loan in the amount of \$12,978,500 from the severance tax perpetual base fund created in section 39-29-109 (2)(a), C.R.S., to the North Poudre Irrigation Company for the completion of the park creek reservoir expansion project.

(2) The money authorized in subsection (1) of this section remains available for the designated purposes until it is fully expended.

(3) The Colorado water conservation board may make loans for the project specified in subsection (1) of this section from money that is or may become available to the severance tax perpetual base fund. The total amount of the loans will be in the amount listed in subsection (1) of this section plus or minus the amount, if any, as may be justified by reason of fluctuations in construction costs or as may be justified by reason of changes in the plans for the project due to differing or unforeseen site conditions, errors or omissions in the plans and specifications, changes instituted by regulatory agencies, or changes in material quantities beyond contract limits.

SECTION 17. Grant-making for projects that assist in implementing the state water plan - appropriation. (1) For the 2025-26 state fiscal year, \$29,200,000 is appropriated to the department of natural resources for use by the Colorado water conservation board. This appropriation is from the water plan implementation cash fund created in section 37-60-123.3 (1)(a), C.R.S. To implement this subsection (1), the Colorado water conservation board may use this appropriation for grant-making for projects that assist in the implementation of the state water plan pursuant to section 37-60-106.3 (6), C.R.S., through the Colorado water conservation board's application and guidelines process.

(2) The money appropriated in subsection (1) of this section remains available for the designated purposes until it is fully expended.

SECTION 18. In Colorado Revised Statutes, 37-60-124, **amend** (2) introductory portion and (3); and **repeal** (1) as follows:

37-60-124. Water conservation and drought mitigation planning - powers and duties of board. (1) ~~There is hereby created as an office under the Colorado water conservation board the office of water~~
